

CELEBRATING OUR 50TH ANNIVERSARY!

On Sunday, April 1st, 2018, Custom Packaging, LP reached a milestone — our 50th Anniversary!

One week later, on Monday, April 9th, our kick-off celebration began. Founders, Lawrence & Peggy West, pictured below (right), joined current employees and former retirees in sharing cake and fond memories. Current Owner, Gary West, expressed his heartfelt thank you to his father and mother for the herculean effort of starting up a new company fifty years ago. In turn, Lawrence and Peggy expressed their appreciation for every employee who helped to make this company the success it is today!

The company will continue to celebrate this momentous event throughout 2018!

Publix created the perfect cake for the occasion!
